

CDNY Offers Dance Camp Scholarships for Summer of 2010

Country Dance New York is offering summer dance camp scholarship grants to its members. The grants may be applied to any camp week offering American and/or English country dance and music instruction, including callers' workshops. These are partial grants, limited to a maximum of half of the camp fee, and are intended for current CDNY members who need some financial assistance in meeting the cost of camp fees.

Scholarship application forms will be available at the admissions table at CDNY dances. If you would like to apply, complete the form and submit it to Marty Fager at 589 Saint Marks Avenue, Brooklyn, NY 11216-3512. You can also deliver the application to me in person at a dance. The application form is also posted on our website, www.cdney.org. The application period ends on June 1, the first dance of our summer 2010 season. If you need further information, call Marty Fager at 718-622-7415.
