

Weekend Whirligig Registration Information

Weekend Whirligig is sponsored by Country Dance * New York, Inc. All profits will be used to support CD*NY dance programs.

Volunteers and scholarship recipients are needed to assist with the event, including sweeping dance floors, and setting up for/cleaning up after parties. People willing to do evening party cleanup are especially welcome.

CD*NY members will receive registration priority until June 1, 2010. Please register early; we anticipate that more people will want to attend than space will allow. If you are not a member, you may join now by including a separate check for \$30 single, \$50 couple, made out to CD*NY Membership.

Weekend Whirligig is for all English dancers. There will be parallel programs for experienced dancers and dancers of all levels. An outline of the program should be available at the CDNY website by August, and will be emailed to all registrants. In addition to English country dancing, there will be singing, parties, consorts, and informal camper-organized activities.

Fees include the entire dance program, six meals (Friday dinner through Sunday lunch), housing, and gratuities for Circle Lodge staff. The total cost of the weekend is \$320 per person for shared superior (heated) room; \$265 for an economy room. Economy rooms are not necessarily heated, and may be (refreshingly) chilly at night. (For an additional small fee, there are a limited number of Lakeside cabins with water view or private economy cabins available- contact Mark for details). You may submit a deposit of \$100. The balance (\$220 superior, \$165 economy) is due by September 5. Financial assistance is available through work scholarships. Please indicate on your registration form if you may need assistance.

Cancellation policy: Until September 15, all but \$35 is refundable; after September 15, all but \$100 is refundable.

Any two people who wish to share a room may apply using one registration form. There will be no preference given to couples. If there is a lottery, you will both be accepted or wait-listed together.
